

RESUSABLE 3 PLY COTTON MASK

REUSABLE COTTON MASK

Black cotton mask - fabric. Made of 100% cotton. Effectively protects against accidental touching around the nose and mouth.

The mask is made of 3 layers. A specially selected material was used to sew trimmings (temples), which is stretchy and not tight as in the case of a regular elastic!

- 3 layers
- 100% Cotton
- put on two elastic bands on the sides
- the product is not a respiratory protection device

Individually packed. 100% Cotton. Can be washed at temperatures up to 40 ° C.
